WELCOME TO HOLLIS MORGAN LIVE ONLINE AUCTIONS

LIVE Could have meant dramatic adjustments to our working practices, terms for our large public auctions are being replaced by featuring a monthly Live Online Auction service – an interactive platform for Buying & Selling all types of land and property.

As for the auction, it's the beauty of a traditional auction with an added and contemporary twist with the advantage of being able to bid from anywhere with the auction streamed live on the Hollis Morgan website and the option to bid by telephone, ring or video.

IN 2020 we sold nearly 150 lots by this updated method – we have embraced this change and move forward with our 2021 live online calendar of sales confident we can provide the best service for our clients.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate

definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
