## THE PROPERTY

A semi detached Freehold Chalet style property ( 1127 Sq FT ) with large enclosed rear garden, garage and driveway.

The vacant property is arranged over two floors with 2 receptions rooms and four bedrooms.

## LOCATION

The North Somerset village of Yatton lies south of Bristol within easy daily commuting distance, by rail or road, with M5 motorway junctions 20 (Clevedon) and 21 (Weston-super-Mare) each only 10 minutes' drive away. The village is extremely well served by a great variety of

facilities, which include lots of shops including a supermarket, a chemist, doctors, church, library, restaurants, takeaways and pubs. There is a junior and infants school within the village, and secondary schooling is available at nearby Backwell. Public transport includes regular bus services and the station which gives mainline railway access to Bristol and out to London Paddington on a regular basis. For the long distance traveller, Bristol International Airport is a short drive away, now with low cost air flights and an international service to the USA. The countryside around is mainly farmland and with the Mendip Hills, the Yeo and Chew Valleys to the south and east, providing a huge variety of country pursuits including walking, riding, sailing and fishing. The area has a number of first rate golf courses, and the 4-star Doubletree by Hilton Cadbury House hotel, restaurant, spa and fitness centre is situated on the edge of the village.

## THE OPPORTUNITY

FAMILY HOME FOR UPDATING

The property now requires modernisation but would make a fine home in this highly sought after location.

## SCOPE TO EXTEND

The property has potential to extend to the rear to create a large open plan living space ( subject to consents )

## EPC

For full details of the EPC please refer to the online legal pack.

## BUYER'S PREMIUM

Please be aware all purchasers are subject to a £1000 + VAT (£1,200 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

## GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate

definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

## RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
