LEGAL UPDATE FROM VENDORS SOLICITOR

Further to this afternoon's telephone conversation, please accept this email as confirmation that the land being sold is that which is currently registered under Title Number ST265029 and as is identified on the attached filed plan showing the plot edged red.

Whilst we are given to understand by the seller that the additional land hatched black on the filed plan attached was purchased by our client's father some 50 years ago, we have no evidence of any formal title to that additional land which coincidentally is shown from our investigations to belong to the registered title of 354 Nore Road, Portishead, Bristol BS20 8EX under title number AV251991.

Whilst we understand that the additional land has been fenced off and is incorporated within the garden of 11 Hillside Road, we do not know for how long it has been incorporated and therefore the purchasers must, in all respects, rely upon their own enquiries.

BUYER'S PREMIUM

Please be aware all purchasers are subject to a £750 + VAT (£900 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not

to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
