## THE LAND

A speculative parcel of Freehold land and a portion of the Land Yeo River ( with riparian rights ) in the heart of Clevedon.

Access rights - refer to legal pack.

## LOCATION

Great Western Road is located in the centre of the bustling coastal town of Clevedon. Local amenities and services including high street retailers, convenience stores, cafes and restaurants are all within close proximity.

Bristol City Centre is approximately thirteen miles away.

## THE OPPORTUNITY

The land was originally purchased with the intention of creating a commercial storage area but this idea was

never pursued.

When purchased there was a scheme ( but no planning ) to convert the area into a cafe area - see proposed plans.

Requires imagination but would suit a range of uses.

## BUYER'S PREMIUM

Please be aware all purchasers are subject to a £750 + VAT (£900 inc VAT) buyer's premium which is ALWAYS payable upon exchange of contracts whether the sale is concluded before, during or after the auction date.

## GUIDE PRICE

An indication of the seller's current minimum acceptable price at auction. The guide price or range of guide prices is given to assist consumers in deciding whether or not to pursue a purchase. It is usual, but not always the case, that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued. This guide price can be shown in the form of a minimum and maximum price range within which an acceptable sale price (reserve) would fall, or as a single price figure within 10% of which the minimum acceptable price (reserve) would fall. A guide price is different to a reserve price (see separate definition). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

## RESERVE PRICE

The seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction.
