THE PROPERTY

Breadstone House is a substantial Grade II listed country house of charm, character and scale in the village of Breadstone, near Berkeley, Gloucestershire. The property sits within grounds of circa 2 acres with a formal driveway leading to the house sitting towards the rear of the plot. We understand the original house is Georgian and during the 19th Century was remodelled with a picturesque Gothic Revival frontage plus various additional wings and extensions added in the 1980's to support its most recent use as a residential care home. The vast accommodation is circa 10,000 Sq Ft and arranged primarily over 2 floors and split into 3 distinct areas with various outbuildings in the grounds.
Sold with vacant possession.

Tenure - Freehold
EPC - D

THE OPPORTUNITY

GRAND FAMILY HOME

The property now requires modernisation but has potential for a landmark country residence to suit both individuals and multi generational families or those looking for adjacent annexes to provide additional income or support business use.

RESIDENTIAL DEVELOPMENT

The principle of residential development has been established with planning (S.25/0930/FUL) and listed building consent granted in 2025 for the conversion of the building into 9 apartments - 7 of which are large with independent access.
Interested parties will also consider splitting the property into 3 / 4 independent dwellings, each with their own independent outdoor space and character.

COMMERCIAL USE | HMO

The property was a successful nursing home for many years and would suit continued use or other potential occupants including HMO or commercial such as a hotel or nursery etc.

*All above subject to gaining the necessary consents
