### THE OPPORTUNITY

DETACHED | UPDATING

This detached property now requires updating but has scope for a charming 2 / 3 bedroom home with stunning 0.54 acre gardens and rural views.

DEVELOPMENT OPPORTUNITY | EXTEND | NEW BUILD

The quality of the plot and views would justify development of a larger more impressive dwelling on the site either by extending and improving the existing structure or demolition and new build of a grand designs style family home.

We understand the property was originally 3 miners cottages and interested parties may look to investigate returning the site to multiple dwellings.

\*All of the above is subject to gaining the necessary consents
