£9,500 per week

This exceptional home is arranged over three floors and has been extended and refurbished to an outstanding standard, creating a sophisticated contemporary house with generous proportions throughout including five bedrooms, six bathrooms and three reception rooms, each finished to an exceptional standard. A grand entrance hall sets the tone which unfolds into a sequence of remarkable living spaces washed with natural light. At its heart lies a striking principal reception room, framed by 13 Maxlight floor to ceiling Crittall style doors and expansive sight-lines that draw the eye from the stairwell through the living areas to the garden beyond. A second reception room provides further flexible space, while the impressive designer kitchen by The White Kitchen Company, featuring Dekton Khalo worktops and Gaggenau appliances is complemented by a separate chefs/commercial kitchen, a rare and highly practical asset for larger scale hosting.

The property is superbly positioned on Circus Road within the highly regarded St John's Wood Conservation Area, offering an enviable setting in one of North West London's most desirable residential enclaves. It is ideally located for the amenities of St John's Wood High Street, with its array of boutiques, cafes and restaurants, as well as excellent transport links via the Jubilee Line Underground. The area is renowned for its green open spaces, with Regent's Park and Primrose Hill both close at hand, providing some of London's most celebrated outdoor and leisure spaces. The location is also particularly well served by outstanding educational facilities, including a number of highly regarded independent schools such as The American School in London
