

Parkwood Point NW8 7QQ

£550 per week

Located in this collection of luxurious apartments and unique mews houses in this impressive modern mansion block is this one bedroom, one bathroom, one reception apartment on the lower ground floor. The properties have been individually designed to create unique and stylish homes with internal layouts that maximise the use of space and light, while ample storage means that simple, fuss-free living can instantly become a reality.

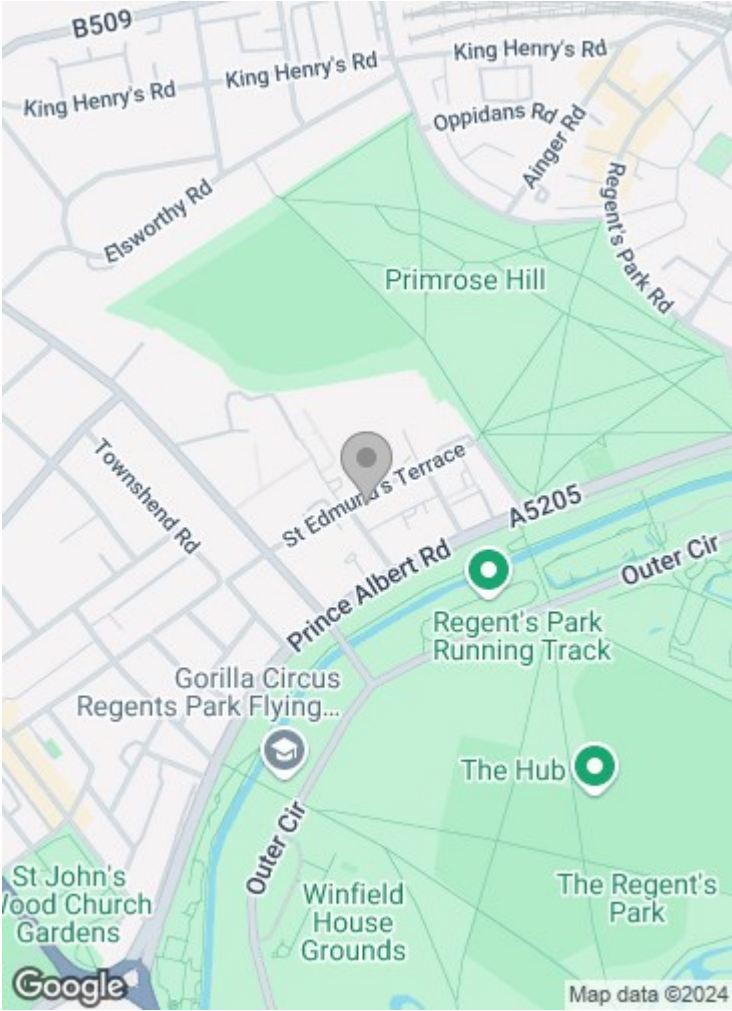

This impressive seven-storey building sits on the corner of a tree-lined residential street in St. John's Wood, one of London's most prestigious neighbourhoods. The quiet streets have virtually no cut-through traffic, and there are plenty of street parking spaces thanks to the resident-only permit bays.

Parkwood Point is within strolling distance of London's West End, a walk that will take you through parks and gardens and the grand stucco-fronted terraces of Fitzrovia to the shops, bars and restaurants of Soho and Mayfair. Alternatively you can walk along the traffic free Regent's Canal path to Little Venice in the West or Camden, Kings Cross and Hackney to the East.

Parkwood Point is well served by local tubes and buses and has easy access for national and international travel with eight main rail stations (including St Pancras Eurostar) just 30 minutes from your door, and two London airports just a short taxi ride away.

The property is available on a furnished basis from 31st October 2024
