5 Westray Terrace, Hallglen – Spacious Mid-Terrace Home with Excellent Potential

This generously proportioned mid-terrace property offers an ideal opportunity for first-time buyers and buy-to-let investors alike. While some internal upgrading would enhance the home further, it already provides a solid foundation, great space, and plenty of potential.

On entering from the front, you are welcomed into a bright reception hallway featuring a built-in storage cupboard and additional storage beneath the staircase. The spacious rear-facing lounge enjoys excellent natural light and open views towards the surrounding countryside. A door leads from the lounge into the rear vestibule, which provides direct access to the enclosed back garden.

The dining kitchen offers ample space and is fitted with a range of wall and base units, a ceramic hob, and a washing machine. Modernisation would elevate this room, but it remains fully functional and well-proportioned.

The upper level comprises two generous double bedrooms, each benefiting from built-in storage. The family bathroom includes a three-piece suite with a shower over the bath.

Externally, the property features a low-maintenance front garden, and—subject to the appropriate planning consents—there may be potential to create off-street parking. The rear garden is also low-maintenance and fully enclosed, ideal for outdoor seating or family use.

Further benefits include electric heating and double glazing throughout.

Early viewing is essential to appreciate the space, layout, and potential this property has to offer.
