Description

Entering from the rear, you step straight into the open-plan kitchen diner — a sociable and practical heart of the home. The kitchen is fitted with wall and base units, complementary worktops, a wall-mounted double oven, gas hob, and integrated appliances including the fridge-freezer and washing machine. The dining area flows naturally into the spacious lounge, which enjoys views over the front garden and the communal green. A built-in storage cupboard adds everyday convenience.

The upper level hosts three well-proportioned bedrooms. Bedroom two benefits from built-in wardrobes, while bedrooms one and three feature fitted wardrobes, ensuring excellent storage throughout. The family bathroom offers both a bath and a separate shower, ideal for busy households.

Externally, the front garden is enclosed and mainly laid to lawn, creating a pleasant outlook from the lounge. The rear garden is fully slabbed and can be used for off-street parking, adding valuable flexibility. The home is further enhanced by gas central heating and double glazing.
