This attractive semi-detached home is positioned in one of Patcham's favoured roads, neighbouring the village itself. The good-sized accommodation features a spacious entrance hall that really invites you into the home and then leads you to the principal ground-floor rooms. The large lounge/dining room has a bright east-to-west aspect and measures over 30' whilst overlooking the pretty rear garden. Additionally, on the ground floor you will find the good size kitchen and a cloakroom. The modern fitted kitchen has the additional benefit of under floor heating. In our opinion, there is potential to extend this home further on the ground floor, similar to others in the road, subject to the necessary consents. On the first floor are three good-sized bedrooms and the spacious family bathroom. Stairs rise from the first-floor landing to the impressive main bedroom suite that benefits from an en suite shower room. WE LOVE the far-reaching views at the rear that are enjoyed from the long westerly facing rear garden. Conveniently, parking is provided by a private hard-standing to the front and a shared driveway leading to a garage. An additional benefit is the fact that our vendor has already found his next home. Viewing is highly recommended by the Vendors preferred local agent, Spencer & Leigh.

Highview Avenue South is a much sought after location situated close to Patcham Old Village. There are what are considered to be good local schools within walking distance along with a regular bus service to the City and network links to London. Local shopping facilities are a short walk away along with the nearby M & S Food, Matalan, Pets at Home and Asda Superstore.
