GUIDE PRICE £350,000 - £375,000

This charming two-bedroom home, situated next to farmland, is much larger than it appears! Having undergone significant improvements during the owner's time, this property is definitely worth a viewing.

We particularly appreciate the spacious 14-foot living room, which features dual aspects and opens onto a newly installed raised decked terrace overlooking the garden. The ground floor also includes a modern fitted kitchen/dining room, complete with a useful breakfast bar. The kitchen is equipped with space and plumbing for a dishwasher and leads to a utility area that accommodates additional appliances.

On the first floor, you'll find two generously sized bedrooms, a family bathroom, and fantastic distant views over the rooftops of Coldean. The rear garden boasts a raised decked terrace, a lawn area, side access, and a practical workshop. There is also a private driveway providing convenient off-road parking.

We believe this versatile property would be ideal for either a first-time buyer, a family or a buy-to-let investor. Coldean Primary School, local shops, and green recreational spaces are all within easy walking distance. An added bonus is that there is no onward chain! We highly recommend an internal inspection by the vendor's chosen local agent, Spencer & Leigh.

Saunders Hill overlooks open fields and benefits' from a regular bus service to the city and local universities. The location is particularly popular with families. Coldean Primary school along with its library and other amenities are easily accessible.
