On a raised corner plot and set back from the road, this charming detached bungalow offers mature gardens on three sides and stunning views over Westdene towards Brighton and the sea. It's an ideal location to relax and enjoy the sun as well as the picturesque surroundings, making it a wonderful place to call home.

The property features two bedrooms plus a handy loft room, providing ample space and potential for future extensions to add further bedrooms and bathrooms, subject to necessary permissions. The main bedroom is generously sized at 15.9' x 14.4' and features a lovely bay window overlooking the garden. The double-aspect lounge also benefits from the same stunning views and leads into a glazed sunroom.

Both the kitchen and bathroom are located at the rear of the property and in our opinion, would benefit from some modernisation. However, the current owner has happily lived here for over 40 years!

Additional highlights include a detached garage, extra parking space beside the home, and a new front porch.

Early viewing is highly recommended to fully appreciate the character, views, and location of this beautiful home!

Copse Hill is a highly desirable area and ideally situated for all amenities including local schools catering for all age groups, local shops as well as some larger stores such as M & S food, Matalan, Pets at Home and Asda stores. All local travel networks are within easy reach including buses in and out of the city as well as railway links to London and along the coast.
