GUIDE PRICE £700,000 - £750,000

Introducing a Hidden Gem in Withdean. Tucked away on a quiet road, this attractive double-fronted family home offers significant potential for extension (subject to necessary consents). This lovely residence features a spacious southerly-facing rear garden, stunning far-reaching views, and a private driveway with a garage.

The bright and inviting accommodation includes a large entrance hall, a ground-floor cloakroom, and a turning staircase that leads to the first floor. The dual-aspect living room boasts stripped wooden floorboards and dual-opening French doors that lead to a beautifully landscaped rear garden, which incorporates a raised terrace, two patio areas, and a large, mature garden beyond.

Family buyers will appreciate the open-plan kitchen and dining room that spans the length of the property, featuring windows at either end. There is ample space for a dining table and chairs, making it an ideal social area for gatherings. The kitchen is equipped with modern fitted units.

Moving to the first floor, you'll find three good-sized bedrooms, each with built-in cupboards, as well as a modern white bathroom/WC that features an over-bath shower and a glazed screen.

Outside, the large rear garden offers amazing views over the valley towards some of Brighton's most desirable homes. The garden is fully lawned with beautifully stocked borders, sleepers, and features mature trees that provide privacy from neighbours, along with plenty of room for children's play or other leisure activities.

Additionally, this property comes with a private driveway and a garage. We believe there is excellent potential for extension at the rear and sides (subject to necessary consents). This beautiful home is exclusively listed with Spencer & Leigh, and we highly recommend arranging a viewing.

Hill Brow Road is located in the highly desirable sought after area of Withdean with its sports complex and local shops. For families with children there is a choice of schools catering for all ages. Preston Park mainline railway station is approximately one mile away and all other travel networks are within easy reach.
