Situated in an excellent residential tree-lined turning with grass verges, this substantial 1930s built property has been much improved by its present owners and offers deceptively large and spacious accommodation extending to approximately 1,746 sq ft over three floors, together with a driveway and a detached workshop.

The ground floor opens to an entrance hall with cloakroom, leading through to a superb 22'8" through lounge with views over the rear garden, and a separate front reception room of 14'1" x 11'10". To the rear is a large 19'0" x 11'4" kitchen/dining room with an adjoining utility room.

There are four well-proportioned bedrooms to the first floor, the largest measuring 12'6" x 11'6", served by an impressive family bathroom with walk-in shower. The whole of the top floor is given over to a fabulous principal bedroom suite of 17'9" x 11'2", with walk-in wardrobe, en-suite, double doors opening to a Juliette balcony and useful eaves storage.

Outside, the rear garden extends to some 68'11" and is enjoyably private, with a detached workshop of 110 sq ft. There is off-street parking to the front, and residents benefit from access to a private recreation ground with tennis court, available for a small annual subscription.
