Tucked back from the road in a good corner plot, this detached bungalow borders an open field to one side. It has an entrance hallway leading to a lounge, a kitchen/diner, a side conservatory, two bedrooms and a shower room with a separate wc. The property is double glazed and there are two modern panel radiators in the rear bedroom. Externally there is a lawned front garden and a paved driveway providing parking for several vehicles leading to a detached garage. This leads to a rear garden being well enclosed and the side garden borders a field and gives quite a good degree of seclusion with lawns, soft fruits and borders. The bungalow is within a virtually level walk of Troon village centre with a Morrisons Daily convenience store. There are bus services and Camborne town is within approximately two miles. Offered with no onward chain, it has the following accommodation.

SEPARATE WC

Low level wc and an obscure glazed window.

OUTSIDE

The property is on quite a generous corner plot bordering open land to one side. There is a paved driveway with gates providing parking facilities and leading to the GARAGE 2.96m x 5.77m (9'9" x 18'11") with an up and over door, a double glazed side door and window plus power connected. The front garden is lawned with covered strawberry beds and mature shrubs. There is an enclosed rear garden and to the side there is quite a secluded area with soft fruits, a lawn and quite high hedging giving access to the front. In our opinion the garden has much potential and is quite an important feature of the property.

DIRECTIONS

From Camborne railway station proceed over the level crossing, up the hill and through the village of Beacon. Continue into the village of Troon and just before the garage on the left turn left into Polgine Lane. Turn right into the estate itself and the property will be found in the corner on the right hand side.
