This updated character terraced house is situated in a convenient location and benefits from family sized living accommodation. There are three bedrooms, a lounge with a wood burner, a kitchen/diner, a rear sun lounge/utility and a first floor bathroom. Externally there is a lovely well stocked rear garden with the added bonus of an external studio room.

Making an ideal first time buy, we are delighted to offer for sale this terraced house which has been much improved by the current vendors whilst retaining many traditional features. Offering deceptively large living space with the benefit of three bedrooms and a separate external 'studio room' which could be repurposed/redeveloped as a guest bedroom. Internally, a welcoming living room with a large inglenook fireplace and wood burner leads through to a generous and well equipped kitchen/diner offering an ideal space both for food preparation and socialising with an adjoining sun room adding to the existing space available. To the first floor there are three bedrooms, two of which are doubles whilst the third has been cleverly laid out to include a built-in raised single bed making the most of the space available. The internal accommodation is complemented by a well appointed family bathroom. Externally, the secluded rear garden is draped with a tapestry of flowering plants creating a living canopy leading to an external studio room with an open beamed ceiling. There may be potential to repurpose this space to a guest room subject to any required planning consent. A pathway leads to a gate accessing a communal access lane to the rear. Offering excellent access to Camborne with its comprehensive amenities, rail and bus transport links, the A30 trunk road is also easily accessible.
