Set within a quiet cul-de-sac in this popular residential area and offered with no onward chain, we are very pleased to bring to market this two bedroomed mid-terraced house that would make an ideal first family home or as an investment opportunity. A very useful entrance vestibule leads in to the lounge/living room/diner which gives access to the first floor. A door opens into a fitted kitchen which includes an integrated cooker and space and plumbing for a washing machine and fridge freezer. There is the added bonus of a separate breakfast bar with storage above and below. A staircase with a quarter landing and left turn leads to a reverse L-shaped landing. On the first floor you will find the two bedrooms towards the front of the property, the second of which has the benefit of a built-in wardrobe. Both bedrooms are complemented by a family bathroom that has a bath with an electric shower over. The property has gas heating and is double glazed throughout. Externally, to the front, there is a low maintenance gravelled driveway with off-road parking for one vehicle. This is bordered by a traditional low level wall to one side and mature hedging, providing a defined border to the pathway leading to the front door. The rear garden is fully enclosed, providing a safe haven for children and pets alike. A decking area is accessed from the kitchen and this in turn leads to a paved area up to a very useful garden shed which has both lighting and power. In terms of location, Illogan Park is within a short walking distance, ideal for those with children. There is a convenience store with Post Office, other local amenities and a public house, all within a fifteen minute walk. Redruth and Camborne town centres are equidistant. In addition, the property is close to the largest area of woodland in West Cornwall, with access to Tehidy Country Park and Golf Course in under ten minutes by car. Also, within proximity, are several North Cornwall coastal towns including Portreath which is a mere eight minutes or so by car. Furthermore, other surrounding beaches and local attractions can be found nearby.
