Windy Heights Mount Whistle Road

South Tehidy, Camborne, TR14 0HU

£795,000

Available with no onward chain, we are delighted to bring to market this eye-catching and modern detached four/six bedroomed executive home situated in a much sought-after area of the county and providing impressive and sizeable family living areas, certainly offering opportunities for multi-generational living. Furthermore, this large property is on an expansive plot with a fabulous, wooded rear garden and really must be seen to be fully appreciated. Set within the largest area of woodland in West Cornwall and offering access to Tehidy Country Park and Golf Course, the property is also within proximity to many North Cornwall coastal towns as well as other surrounding attractions. The house is accessed by a sizeable driveway framed by mature trees and shrubbery, ensuring a strong degree of privacy. A pathway from the drive leads to the front door which has clear double glazed sidelights that help to enhance the amount of natural light that flows into the property. On entry, the large and impressive hallway exudes space, comfort, and modern elegance courtesy of the staircase with a glass balustrade. You will also find the convenience of a downstairs shower room off the hallway. The fitted kitchen offers plenty of space and equipment for food preparation and includes a number of integrated appliances including a Bosch gas hob with extractor hood, a Neff electric oven and grill, a Sharp microwave/convection oven and the piece de resistance, a striking Esse multi-fuel range cooker with a back boiler. Adjacent to the kitchen is a good sized utility area with additional sink and drainer, space and plumbing for washing machine as well as other appliances. Here you will also find a storage cupboard that houses the large water immersion storage tank fed from a gas boiler, solar tubes and traditional electrical immersion heating. We understand from the vendor that the Navitron Solar Thermal tubes, fitted on both sides of the garage roof, provide circa 7 months free hot water! To the opposite side of the kitchen, internal French doors open into the large, impressive L-shaped lounge/living room which is also accessed via an interconnecting door in the hallway, ensuring excellent flow through, ideal in a socialising setting. This room also has the additional benefit of a recessed multi fuel burner set on a slate hearth with a very pleasant outlook over the south facing front garden. The ground floor also has two further rooms, one used by the vendors as a gymnasium, the other as a home office. Both could be re-purposed as bedrooms if so required to increase to a six bedroom property. A striking switchback staircase with a glass balustrade leads to the first floor landing which is very much enhanced not only by the overstairs roof light but also by the spacious and airy gallery-like space that sits at the heart of this part of the home, an ideal area to perhaps relax and read. The landing has a built-in wardrobe and then leads you to a dual aspect, master bedroom which is complemented by a large en-suite shower room with corner quadrant shower cubicle. Two further bedrooms are sited at the front of the property with a fourth to the rear. The bedrooms are further complemented by a good sized family bathroom that includes a separate shower. Overall, the first floor of this property is certainly enhanced by the number of Velux roof lights which ensure generous helpings of natural light. Externally, the driveway to the front offers parking for multiple vehicles plus turning space. The driveway leads to a large double garage with lighting and power. Privacy is ensured by the mature tree lined borders and frontage. The front garden is fully south facing with a patio area to benefit. There is a lawned area bordered by mature trees and established shrubbery, plants and hedging. The rear garden again has a patio area before a lawned area connects to the woodland that makes the property feel very self-contained, adding privacy, character, and a sense of wilderness that is rare in residential settings. Furthermore, we understand from the current vendor that there is potential for development, subject of course to the appropriate planning consent. In terms of location, there is nearby access to both Tehidy Country Park & Golf Course and this location is less than three miles to the

coastal town of Portreath, with its beach and access to the famous South West Coastal Path. Nearby towns include Camborne and Redruth with a good range of amenities which are more or less equidistant from the property whilst Pool provides a number of out of town multiples and supermarkets. There is also close proximity to many other North Cornwall coastal towns and surrounding attractions.
