Set in a most convenient location for local amenities, we are very pleased to bring to market this four bedroomed bungalow sited at the bottom of a quiet cul-de-sac. Enjoying a good level of privacy, you enter into the property via an entrance vestibule initially before an obscure glazed internal door leads into the staggered hallway which allows access to all of the living areas. The lounge/ living room has full length UPVC patio doors which have a very pleasant outlook over the well manicured front garden. The dining room gives open access to the fitted kitchen which has the useful addition of a breakfast bar. The four bedrooms run front to back. The double bedroom at the front of the property enjoys the outlook over the front garden. The second and third bedrooms are positioned in the middle of the property with the fourth to the rear. The bedrooms are complemented by a family bathroom, set within the heart of the property with natural light courtesy of high level obscure glazed windows to the utility room. Heating is provided via gas fired central heating and it should be noted that a new boiler was fitted in July 2025 and this is complemented by double glazing throughout. Externally, to the front, there is a driveway with parking that can accommodate at least two cars and this leads up to a single garage with an external light, an up and over door, lighting and power and a rear workshop come potting area. The front garden has been well looked after with lovely mature borders of bushes, shrubs and plants that surround the raised laid to lawn area and its south east facing aspect certainly benefits from the sunshine and will certainly appeal to those with gardening tendencies. A pathway to the rear leads to the front door. The rear garden has somewhat of an elevated feel and is in a courtyard style with patio area and traditional walled rear border. There is a side access door into the workshop area of the garage. A gate opens to a pathway leading to the front of the property. In terms of location, this property is well placed in terms of schools with a local academy, junior and primary schools are easily accessible. Camborne town centre can be reached in under fifteen minutes or so on foot or via a short drive. Here, you will find a major supermarket and the many other amenities within the town. There is a second supermarket within a five minute drive. A mainline railway station offers services to London amongst other destinations and can be reached in under 20 minutes on foot or via a short drive. There are also bus services available. The A30 trunk road is very accessible being approximately a 5 minute drive. Further afield, Portreath Beach, with its access to the

famous South West Coastal Path, is around 10 minutes by car. Tehidy Woods, the largest area of woodland in West Cornwall, is within' a similar distance.
