Set on the edge of this popular community focused village, we bring to market this four bedroomed dormer bungalow on a large plot and offered for sale with no onward chain. Enjoying an elevated position behind a landscaped front garden with generous planting space to the rear, a rising driveway gives access to this property that was built to the vendor's specification. A useful entrance porch that leads to an internal front door which in turn opens into a generous T-shaped hallway which has a quite unique teak staircase with decorative wrought iron baluster feature, one of a number of interesting characteristics within this welcoming home. There is a nice interconnecting feature between the lounge at that front, which enjoys very pleasant views over the front garden, through the dining room, with its own side aspect outlook and into the kitchen via an open access archway. The kitchen benefits from integrated cooking appliances including an induction hob. The lounge, dining room and kitchen have pine ceilings. From the kitchen, access is gained to the useful rear utility room which has a very handy WC. In turn, an external door leads out to the rear garden. Continuing on the ground floor, there is a very modern, fully tiled shower room which has a large walk-in shower enclosure and two bedrooms, one to the front with pleasant views over the garden, with the added benefit of a built-in wardrobe. The second, to the rear, is currently used as a sitting room but could be re-purposed back into a bedroom where there is also a built-in wardrobe/storage. To the first floor, there are two bedrooms, one to the back overlooking the rear garden and a second which overlooks the side aspect and enjoying lovely far reaching views over open countryside to the south east. There is also the bonus of a first floor wc and a wash hand basin. Benefiting from owned solar panels, the property enjoys underfloor heating throughout, with the exception of the utility room, and this is complemented by double glazing. Externally, a rising driveway, flanked by traditional walls, offers parking for multiple vehicles. The driveway divides a delightful, landscaped front garden with a patio area behind which enjoys a South West facing position. There is a very good sized adjoining garage with workshop space and an electric roller door opening. A generously sized split level rear garden will certainly appeal to those who enjoy the outdoors in peaceful surroundings where there are fruit trees, raised borders and planting areas, all with the back drop of views over the charming open countryside. In terms of location, the village of Stithians is a very popular location as it lies in the middle of the triangle bounded by Redruth, Helston and Falmouth, all of which can be reached by public transport. The local primary school along with a pre-school is very convenient being within a ten minute walk of the property. Furthermore, there is a doctor's surgery, a convenience store and a popular public house, all within the same area. There is a monthly produce market held at the Stithians Centre which is opposite the pub and there you will also find the library. There is a large children's play area within the same vicinity. Further afield, Stithians Lake and its activities centre are within a fifteen minute drive. The city of Truro can be reached in around twenty five minutes by car. The surrounding area also offers many countryside walks.
