Available with no onward chain, this mid terraced, deceptively spacious two bedroomed house is situated on a popular residential development. With a separate garage immediately to the rear, a front porch and a rear conservatory, this home would be an ideal first property purchase or for investment purposes. Originally built in the 1970's, the property is accessed via the pedestrian pathway bordering a public open space. On entry, you will find yourself in a full width and very practical entrance porch. From here, access is given to the quite spacious lounge/living room where you will also find stairs to access the first floor. A door links to the kitchen/diner and within the fitted kitchen, you will find integrated cooking appliances, a hob with extractor hood over and an oven and grill with further space afforded to other white goods. There are also low maintenance aqua board splash backs. From the kitchen, access is given to a rear full width conservatory. To the first floor, there are two bedrooms. The front bedroom is particularly bright and airy and enjoys far reaching views to the south. The second bedroom is to the rear with both bedrooms benefitting from very useful, space saving built-in double wardrobes. Both bedrooms are complemented by a very well presented, family bathroom which has an electric shower over. Again, the bathroom benefits from aqua board splash backs. Externally, to the front, a pathway to the aforementioned porch splits a laid to lawn garden with mature borders. To the rear, the fully enclosed garden is accessed from the conservatory where you will find a small patio and a hedge bordered to the lawn. One side of the garden has a mature tree and shrub border whilst the other is bordered by a wall. To the rear, a gate opens out to access the block built single garage which has an up and over door, lighting and power. In terms of location, the Tolvaddon area has its own convenience store which can be reached in a mere two minute walk. The property is within approximately half a mile of the A30. Further afield, the towns of Camborne and Redruth are equidistant and can be reached in around ten minutes by car. Tehidy Country Park and Tehidy Golf Club can also be reached in less than ten minutes by car whilst the coastal town of Portreath, with its beach and access to the South West Coastal Path can also be reached by car in a similar time.
