We are very pleased to bring to market this three bedroomed property, situated in a most convenient location. Offering well presented and good sized family living accommodation, this semi detached house borders an open field and benefits from very pleasant views at the rear elevation in the direction of St. Agnes Beacon. Set back from the road and offering parking for one vehicle, internally the house has a very useful porch on entry. The hallway leads to a lounge/living room at the front with the focal point and cosy kitchen/diner, with its recently installed log burner, towards the rear which in turn gives access, via the conservatory, to the very pleasant and private garden. Off the kitchen, there is a utility room incorporating a downstairs toilet and wash hand basin. To the first floor, there are three bedrooms, two double including one with overbed hanging space and storage and one single, all complemented by a well equipped family shower room. It should be noted that this house benefits from recently installed double glazing in the form of windows and doors. Externally, the rear garden is quite a suntrap, a haven for relaxation with its thoughtfully arranged layout incorporating pathways bordered by raised planting features, a garden pond and multiple seating areas, all overlooking an open field. There is also the bonus of a good sized shed. In terms of location, the property is ideally placed for schools with the local primary being within a short walk whilst the nearby academy is within a five minute drive. Amenities wise, there is a large convenience store with Post Office facilities next door to the primary school as well as a fish and chip shop.
