## Grove Vista Trevarth Road

Carharrack, Redruth, TR16 5SE

**Guide Price £269,950**

Offered for sale with no onward chain, this semi detached house is situated in a sought after location and would now benefit from updating and improvement. The property has two bedrooms, two separate reception rooms, a kitchen, rear conservatory and a substantial first floor bathroom. It is double glazed and this is complemented by oil heating. Externally there are gardens to both front and rear with the bonus of outbuildings and views from the front over open countryside.

We are pleased to be able to bring to market this two bedroomed, two reception roomed house in need of modernisation, offering much potential to become a delightful family home. The front of the property offers lovely views over open countryside towards the south east. To the ground floor there is a reception room at the front with a second reception/dining room having some original features and leading through to a galley style kitchen with some integrated appliances. A conservatory offers a pleasant outlook towards the rear garden. To the first floor there are two bedrooms at the front, both of which benefit from the views experienced from the living room. The bedrooms are complemented by a very spacious bathroom with a separate single shower cubicle. Externally, the front garden is a very pleasant makeup of mature bushes, shrubs and trees. To the rear, the garden is primarily laid to lawn and there are two storage rooms, one of which could potentially be repurposed to a garage given its access to a rear lane albeit subject to the appropriate planning permissions. Properties are well sought after in the Trevarth area which overlook Trevice Woods. The property gives close access to the centre of Carharrack and the village of Lanner is within a five minute drive. Both villages are served by buses. The village of Carharrack offers local amenities including a convenience store and a Chinese takeaway which are within a few minutes walk, as well as other amenities. Furthermore, the village is equidistant to both Falmouth and Truro as well as having nearby coastlines and beaches within convenient reach. The location of this property offers many lovely and interesting local walks including Carn Marth which offers wonderful 360 degree views over the county towards the local coastlines and can be reached in just over half an hour. Another local point of history, Gwennap Pit, can be reached on foot in a similar time. There are also several other opportunities to wander gently out into the Cornish countryside from here.
