This presents an opportunity to purchase a brand new detached house situated in a corner plot location and offered for sale with no onward chain. The family sized living accommodation benefits from three first floor bedrooms with a family bathroom, a lounge with open access to a well fitted kitchen/diner and there is the bonus of a ground floor wc. The property is double glazed and this is complemented by gas fired heating. Externally there are low maintenance gardens and parking for one vehicle.

Situated on the outskirts of town giving easy access to the A30, this presents an opportunity purchase a new detached home which in our opinion has a good standard of finish. An inspection will reveal that there is a lounge leading through to a dining area with an island unit and a well appointed kitchen. In addition to the appliances, it also houses the gas boiler and there are French doors to the rear. The flooring to the ground is laminate and a cloakroom is provided with a wash hand basin and wc.
