Situated in a convenient location and offered with no onward chain, this modern semi detached house benefits from well presented family sized accommodation. There are three bedrooms, a fitted kitchen, a spacious lounge/diner, a first floor bathroom and the bonus of a ground floor wc. The property is double glazed and this is complemented by gas heating. Externally there are two parking spaces to the front and a well enclosed rear garden.

Offered with no onward chain and built in 2017, therefore benefiting from a remaining NHBC warranty, we are very pleased to bring to market this three bedroom semi detached house, set within a cul-de-sac in a most convenient location that would make an ideal first or second family home or as an investor property. It should be noted that this house has two allocated parking spaces directly outside the property. Internally, a spacious entrance hallway is complemented by a downstairs WC/cloakroom with a wash hand basin. Thereafter, a door opens out into a fitted kitchen and a door to a spacious lounge/diner that gives direct access to the rear garden via patio doors. A switchback staircase leads to the first floor landing from where the three bedrooms are accessed and these are served by a family bathroom that includes a thermostatic shower over the bath. The property has gas central heating complemented by double glazing throughout. Externally, to the front there is a block paved driveway with two allocated parking spaces whilst other street parking is available nearby if required. To the rear, there is a fully enclosed low maintenance, fence bordered garden which is a safe haven for both children and pets alike. Located in a modern residential development, the property is close to the town centre and there is also a major supermarket within a short walking distance. Furthermore, there are excellent transport links including a mainline railway station and bus services. Access to the A30 trunk road is within two miles whilst further afield, the coastal village of Portreath with its beach and access to the South West Coastal Path can be reached in less than fifteen minutes by car.
