

10 Beacon Terrace

Camborne, TR14 7BU

£285,000

Situated in a popular location, this terraced house offers family sized accommodation and benefits from three bedrooms plus an attic room. To the ground floor there is a front conservatory, a lounge, separate dining room and two kitchen areas. There is a first floor family bathroom plus the bonus of a ground floor shower room. The property is double glazed and this is complemented by gas fired heating. Externally there is parking for one vehicle, a well enclosed mature front garden with a garden shed and an enclosed rear courtyard.

Offered for sale with no onward chain set back from the road in an elevated position, this is a generally well presented three bedroom family home. There is also a staircase leading to an attic room which has been panelled and boarded with a Velux window and eaves storage. To the ground floor there is a front porch and conservatory leading to the lounge with a focal granite fire surround. There is a fine separate dining room focusing on a floor to ceiling fireplace housing a log burning stove (not in use). Access is given to the kitchen having a separate second kitchen area with the sink unit and a door to the rear. A ground floor shower room is provided in addition to the first floor bathroom and this certainly is a good feature. A gas fired heating system has been installed and this is complemented by double glazing. The two front bedrooms have open aspect views and one of which has what appears to be a former fireplace that has been exposed. Outside there is parking for at least one vehicle and there is an enclosed front garden with a raised decked area, lawns, fir trees and a garden shed. There is also an enclosed area to the rear. Beacon Terrace is within perhaps a quarter of a mile to the railway station and then on to the town.
