Situated in a popular and indeed pleasant location, this is an opportunity to acquire a modern three bedroom semi detached bungalow with two reception rooms plus a conservatory. Over recent years the property has been extended and this is combined with modern up to date facilities. There is a lounge, a separate dining room leading to the conservatory and a well appointed kitchen plus a shower room. Most of the double glazing has been replaced and a new gas boiler was installed in 2025. The master bedroom has a bay window and doors with views to Carn Brea Castle. The second bedroom has a mirrored double wardrobe and the third has a fitted linen cupboard. The kitchen is fitted with a good range of base and eye level cupboards with splash backs and incorporates an oven, a gas hob and a cooker hood above. The shower room is designed with ease of maintenance in mind having tiled walls and wipe clean panelling in the shower. Externally the gardens are well tended combining ease of maintenance with raised borders having a variety of shrubs. A driveway provides parking and leads to the garage with a tool store attached. The rear garden is well enclosed with paving slabs and a patio area taking advantage of the sunshine. The bungalow has a low maintenance exterior and in our opinion the gardens are an important feature of this home. Shopping facilities and bus services are available in Park Bottom together with a public house. The north coast and Tehidy are accessible with the sea being approximately two miles away.
