Situated in a convenient location and offered with no onward chain, this character terraced house would be ideal for first time buyers or investment purposes. It benefits from two bedrooms, a lounge, an open plan kitchen/diner and a family bathroom. The property is double glazed and this is complemented by gas fired heating.

Offered chain free, we are delighted to bring to market this two bedroomed terraced property in a most convenient location which would make an ideal first purchase or as an investment.

Located on the outskirts of Camborne and within close proximity to many local amenities and schools, the property benefits from double glazing, complemented by gas fired central heating. The main living space is immediately visible when you enter and has characteristic exposed joist beams whilst also being open plan to the stairs. An open plan kitchen/diner is designed so the cooking and eating areas share one continuous space, creating a sociable and airy feel. The dining area feels noticeably light and bright, enhanced by the partially obscure glazed wall architectural feature between there and the ground floor bathroom. Two upstairs bedrooms further enhance the living space available with a useful mezzanine style open storage area which benefits from natural light flooding in from the window above. In terms of location, there are a number of amenities within walking distance. Camborne town centre, with many local amenities including doctor's surgeries, dentists and many retail businesses, including chain stores and independents, is just over one mile distant and around a thirty minute walk or short drive. Camborne also offers a mainline railway station and there is also a bus station. Further afield, Portreath with its beach and access to the South West Coastal Path can be reached in less than fifteen minutes by car along with Tehidy Country Park and Tehidy Park Golf Club which are within a similar distance.
