Sales & Lettings

31A St. Day Road

Redruth, TR15 2ET

£269,950

Situated on the edge of Redruth town, this modern detached house benefits from well proportioned family living accommodation and is offered for sale with no onward chain. There are three bedrooms with a first floor shower room, a lounge, a kitchen/diner, a rear conservatory and a ground floor wc. The property is double glazed and this is complemented by gas heating. Externally there is an integrated garage plus the bonus of parking for two/three vehicles and an enclosed low maintenance rear garden.

Available with no onward chain, we are bringing to market what would make an ideal family home with the bonus of a garage and driveway. There are three bedrooms, the property is double fronted and was built around 1990. Located in a particularly convenient location for Redruth town centre, the mainline railway station and local bus services are very accessible. On entry, the hallway gives access to all living areas with stairs to the first floor and a rear hallway that has a convenient downstairs WC with a wash hand basin. The double aspect lounge/living room has space for an electric fire whilst there is a gas supply should the new owner wish to re-instate. From the lounge, access is given to the rear conservatory which was only added in 2023. A good sized triple aspect kitchen/diner has a number of modern fitted units with matching worktops in a U-shaped configuration. From the kitchen/diner, access is given to the rear of the integrated single garage from where access can also be gained to the driveway and garden area. To the first floor, there are three bedrooms, the main bedroom is of a very good size and runs front to back and there are two other bedrooms, all being complemented by a family shower room. Externally, access is gained to the front via a path from the pedestrian pavement. There is a low level traditional wall at the front whilst a wraparound pathway allows access to the rear garden whilst also accessing the driveway at the top of which is a raised planting area with mature bushes and trees. There is parking for two/three vehicles on the driveway and in turn this leads to the single integrated garage with an up and over door, lighting and power. The rear garden has a traditional walled border with a raised planting area. In terms of location, Redruth town centre, which offers both independent and chain stores, cafes, a cinema and public houses, can be accessed in less than ten minutes on foot or via a short drive. The main line railway station in the town gives links to London and bus services to Truro and Falmouth and can be reached on foot in around seven minutes. There are also countryside walks in the area and it should be noted that Carn Marth, the second highest point in Cornwall, can be accessed on foot in around twenty five minutes and offers far reaching views from coast to coast. Further afield, Portreath Beach on the north coast is within a fifteen minutes drive as well as many other local beaches and attractions being nearby.
