36 Coronation Road

Illogan, Redruth, TR16 4SQ

Guide Price £229,950

We are very pleased to bring to market this three bedroomed family home, built in the late 1950's, to which the vendor has added a number of convenient touches, both inside and out, to ease and aid everyday life. Conveniently positioned within walking distance of a number of local amenities yet tucked away within a quiet loop road, an early viewing is certainly recommended. On entry, the property has a very practical porch, ideal for coat hanging and shoe removal etc. An internal front door opens into an L-shaped hallway that gives access to the first floor and the bright, dual aspect, lounge/living room/diner which overlooks both the front driveway and very pleasant rear garden. Off the hallway, there is a room to the front currently used as an office/study but could easily be repurposed to a dining room if so required. The well equipped kitchen is accessed from the hallway and has all of the necessary space for the appliances required. There is a recessed area in which the current vendor has positioned the gas cooker, this would have originally been a fireplace. To the first floor, there are three bedrooms, two to the front and one to the rear. The main bedroom is dual aspect and has pleasant views in a south easterly direction towards Carn Brea. It has a built-in, shelved storage cupboard. The second bedroom shares the same outlook and again, benefits from an overstairs shelved storage cupboard. The third bedroom benefits from views over the aforementioned rear garden and has the benefit of a built-in wardrobe. The bedrooms are complemented by a separate toilet with a wash hand basin along with a family bathroom with a bath which has a shower mixer tap over. Externally, the property benefits all round from recently fitted fascias and soffits. The front garden is essentially divided into two with a gravel surround concreted off road parking space and laid to lawn area with a pleasant mature border of mature plants, shrubs and a cherry tree. A pathway to the front door porch extends around the front of the property to access the rear garden. The rear garden has been particularly well thought out, not to mention well tended and looked after. It has a lovely side border of fruit trees, flowers and plants and the upkeep of such a garden is complemented by a number of garden buildings that offer all of the space required to maintain such an area along with considerable rain water supply. There are four sheds with lighting and power, an open outdoor kitchen/BBQ area together with a summerhouse. There are storage areas between some of these with a further storage area running behind the summerhouse and fourth shed. Location wise, there is a doctor's surgery, two convenience stores, a pub, a fish & chip shop and other local amenities all within walking distance. The centre of Redruth, which has a variety of retail shops, cafes, public houses and a cinema, is approximately three miles by car. You will also find a main line railway station in the town centre. The property also gives access to the north coast at Portreath which is within a few minutes by car and here you will find access to the famous South West Coastal Path. Tehidy Woods and the golf course are within a similar

distance. Furthermore, the A30 trunk road can be accessed in under ten minutes by car.
