# 39 Chapel Road

Tuckingmill, Camborne, TR14 8QY

**£145,000**

Offered chain free and located on the outskirts of Camborne and within close proximity to many local amenities and schools, we bring to market this two bedroomed mid terraced property which would make an ideal first purchase or as an investment. Requiring modernisation on the inside and some attention to the gardens, this property has a deceptively spacious ground floor with a long garden to the rear and will certainly make a project on which to put your own stamp. On entry, the front door opens to a staggered hallway with stairs accessing the first floor. A door opens to the lounge/living room with a tiled fireplace and a night storage heater. The hallway links through to the dining room which has a tiled fireplace and full open access to the galley style kitchen. From the kitchen, access is given to a rear passageway which links to the rear garden and the downstairs bathroom. Stairs with a ninety degree left turn access the first floor landing where you will find both bedrooms which are sited at the front of the property. Externally, a pedestrian pathway leads to the entrance to the primarily laid to lawn front garden of the property which is south west facing with traditional walled borders. The rear garden is accessed from the passageway adjacent to the kitchen, the door opening to a side patio which leads to a pathway bordered by a dwarf wall. There are steps up to the lawned garden which has great potential to develop and nurture. This long garden leads to a shed beyond which are steps up to a timber built double garage, entered via a side door. The front of the garage opens out onto a shared access lane. Please note that we understand from the vendor that the garage does require some attention. In terms of location, there are a number of amenities within walking distance. Camborne town centre, with many local amenities including doctor's surgeries, dentists and a comprehensive range of retail businesses, including chain stores and independents, is just over one mile distant, around a thirty minute walk or short drive. Camborne also offers a mainline railway station along with a bus station. Further afield, Portreath with its beach and access to the South West Coastal Path can be reached in less than fifteen minutes by car along with Tehidy Country Park and Tehidy Park Golf Club which are within a similar distance.

Upvc door with two decorative obscure double glazed panels opens to:
