Piece, Carnkie, Redruth, TR16 6SG

£289,950

Situated in the semi-rural hamlet of Piece, this modernised detached bungalow offers well presented accommodation and has lovely views towards Carn Brea. There are two bedrooms, a lounge with a log burner, a fitted kitchen/diner, a shower room and a front conservatory. The property is double glazed and complimented by modern electric heaters and solar panels. Externally there is a private enclosed rear garden, a garage and parking facilities.

This presents an opportunity to acquire a well presented detached bungalow in what is considered to be a very pleasant and popular location. There are fine views from the front elevation to Carn Brea castle and monument and there are plenty of mining trails nearby plus the well known Countryman public house. To the front there is a conservatory taking full advantage of the views and the lounge similarly has a good aspect. There is a well proportioned kitchen/diner and a shower room. The property was upgraded in August 2024 under a warm home scheme and benefits from a new heating system consisting of modern high heat retention storage heaters and panel heaters, both controllable either manually or via an app. Extra loft insulation was installed plus the addition of solar panels to the rear roof elevation which provides electricity during the day. The solar panels are owned in full by the current owner of the bungalow, transferable to the new owner of the property. The solar panels are registered for the Smart Export Guarantee and payments are made to the owner for any excess energy exported to the grid. There is also a focal point wood burner in the lounge and the property is double glazed. Externally there is parking and turning facilities leading to a garage. There is a low wall to the front which is well stocked and a lovely mature well enclosed rear garden. Piece is approximately three miles from the town of Redruth and a similar distance to the larger out of town multiples at Pool.
