Coming to market with no onward chain is this two bedroomed mid terrace property, sited within a most convenient location for Redruth town and its associated amenities, making this an ideal first property purchase or as an investment opportunity. In need of some modernisation, it should be noted that the kitchen has been upgraded which includes the addition of some integrated appliances and furthermore, there is a downstairs utility room with WC to the rear and a good sized, fully enclosed rear garden. On entry, you will find yourself in a very useful entrance porch before an internal door opens into a good sized double aspect open plan lounge/living room/diner which has a gas fire mounted on a slate and brick hearth. There is a very good sized understairs storage cupboard before a door opens into the modern galley kitchen which has very nice metro tiled splashbacks complementing straight edge work surfaces. There are a selection of Beko integrated appliances including a separate under counter fridge and freezer plus a gas hob with an oven and grill below. Linking to the kitchen is a very useful rear utility room with the added bonus of a WC. Returning to the lounge/living room/diner, stairs immediately beyond the entrance porch lead to the first floor landing where you will find the two bedrooms, the first of which is at the front of the property and of a good size with a built-in overstairs storage cupboard. The second bedroom to the rear has the added bonus of a built-in wardrobe. Both bedrooms are complemented by a partially tiled family shower room. Externally, from the pedestrian pavement to the front, a gate opens into a manageable front garden with a nice central hedging feature. The rear garden is accessed from the kitchen. Fully enclosed, there is a side patio with a pathway leading to a raised laid to lawn garden and onto a rear patio. There are mature walled and shrubbery borders all round with a rear gate leading out to rear access. The property is double glazed throughout complemented by gas central heating. However, we understand from the vendor that the central heating may not have been used for some time. In terms of location, Redruth town centre, which offers both independent and chain stores, cafes, a cinema and public houses, can be accessed in just a few minutes, either on foot or via a short drive. The main line railway station in the town can also be reached on foot within minutes where there are links to London and other destinations and here, you will find bus services to Truro, Falmouth and Helston. There are also countryside walks in the area and it should be noted that Carn Marth, the second highest

point in Cornwall, can be accessed on foot in less than forty minutes, offering far reaching views from coast to coast. Further afield, Portreath Beach on the north coast is around a fifteen minute drive and there are many other local beaches and attractions that are equally accessible.
