Paynters Lane, Redruth, TR16 4DT

£289,950

Offered for sale with no onward chain and now ready to update to your own taste, this detached bungalow offers spacious accommodation. There are two bedrooms with built-in wardrobes, a lounge, a fitted kitchen opening to a triple aspect dining area and there is a family bathroom. Externally there are well stocked gardens to both front and rear, driveway parking for two/three vehicles and an integral garage with the bonus of a rear utility and wc.

Offered with no onward chain and situated in a popular residential location giving level access to facilities, we are delighted to offer for sale this detached, spacious two bedroomed bungalow. Set back from the road and double fronted, a good sized driveway allows parking for two/three vehicles along with an integrated garage. Offering good sized internal accommodation, on entry you will find a very useful porch that leads to an internal front that opens out into a generously sized reverse S-shaped hallway giving access to the living accommodation. The good sized lounge/living room has an open fire whilst the two bedrooms both benefit from built-in wardrobes. Both bedrooms are complemented by a family bathroom with an electric shower over the bath. To the rear, the bungalow opens up and the kitchen serves the dining area very well. There are several entrance and exit doors spaced along the back, linking the integrated garage with the utility area and the rear garden, creating an easy flow between indoors and out. The bungalow can be entered or exited from several points and this layout gives the rear of the home a relaxed, functional character. Whilst partially wraparound, the rear garden feels very private and has the benefit of being south west facing so should enjoy the best of the conditions, especially during the spring and summer months. Altogether, the bungalow feels practical and welcoming: a good sized frontage set back from the road and particularly open and adaptable at the back which would provide opportunities for modernisation and development by a new owner, subject to the appropriate consent. Location wise, there are two convenience stores, a pub, a fish and chip shop and other local amenities all within walking distance. The property also gives access to the north coast at Portreath where one can access the famous South West Coastal Path within a few minutes by car. Tehidy Woods, the largest area of woodland in West Cornwall and the golf course, are also easily accessible. The A30 trunk road is within three miles.
