## 11 Polkerris Road

Carharrack, Redruth, TR16 5RJ

**£259,950**

This well presented garage linked detached bungalow is situated in a popular cul-de-sac location and is offered for sale with no onward chain. The property benefits from two bedrooms, a good sized lounge/diner, a kitchen and a family bathroom. It is double glazed and this is complemented by LPG heating. Externally there is driveway parking, a garage and gardens to both front and rear.

Offered with no onward chain, we are pleased to bring to market this deceptively sized link detached two bedroom bungalow, set in a quiet cul-de-sac within a popular village location. On entry, you will find access to all of the living areas from the hallway. A particularly large lounge come living room/diner is sited at the front of the property along with the second double bedroom. The large main bedroom at the rear benefits from two built-in wardrobes and a wash hand basin. Both bedrooms are complemented by a family bathroom. A good sized kitchen would also allow for dining if so required. Externally, a generous driveway with parking for up to three vehicles leads down to a single garage. The front garden offers two distinct areas, one gravelled hence low maintenance, the other offering a raised planting area. A pathway hugs the front and side of the property whilst the rear garden is fully enclosed and also accessible from the driveway as well as the kitchen. There is a garden shed and greenhouse. Carharrack is well served by local bus routes and offers amenities including a convenience store, a Chinese takeaway and other services. There is a children's park nearby and the local village hall, which we understand holds regular local events, is also within a short distance. Within around a twenty minute walk or short drive, there is a neighbouring village, St. Day, which has two convenience stores, a Post Office, butchers, pharmacy and a public house. The location offers many local countryside walks and the village is equidistant to both Falmouth and Truro. There are also other nearby coastlines and many beaches within easy reach.
