Apartment 3 at Lawnswood offers approximately 942 sq ft of beautifully proportioned accommodation in the heart of Heswall. As one of the rare ground-floor units, this one will be incredibly popular. With access to your own private patio garden, and two parking spaces!

A welcoming entrance hall leads into an impressive open-plan kitchen, dining and living space, designed as the natural centre of the home. There are two double bedrooms, including a principal with its own en-suite, plus a stylish main bathroom. There is immediate access to your kitchen from your designated parking bays, and the main bedroom enjoys patio doors opening out to the garden.

The specification is exceptional. The German-made handleless kitchen is finished with premium quartz worktops, integrated appliances and an island with breakfast bar, while Tissino bathrooms and carefully selected finishes reflect the quality and craftsmanship evident throughout.

Lawnswood is an architect-designed collection of just eight new-build apartments by BlueSky Developing, arranged across three floors and inspired by Heswall's Arts & Crafts architecture. Its considered detailing gives the development a strong sense of place, paired with all the comfort and convenience of a brand-new home. Generous residents' parking and a secure gated entrance add to the appeal. For buyers who spend time abroad or between homes, Apartment 6 is also an ideal UK bolt-hole: low maintenance, secure and easy to lock up and leave.

Heswall's bustling centre is within walking distance, bringing independent boutiques, stylish bars, cafés and highly regarded restaurants together with M&S and Tesco. Coast and countryside are on the doorstep.
