East Horsley, Surrey

We are delighted to offer by invitation only this immaculate home in the very heart of the village.

Nestled at the far end of Chestnut Way on a double width South-West facing plot, the property is perfectly situated within this prime location just a 350 yard stroll from both the Station serving Waterloo in 45 mins, and the main shopping parades including Sainsburys and a raft of independent boutique shops and cafés.

Once over the threshold, the interior has been beautifully designed to give the most luxurious feel with Amtico flooring seamlessly flowing throughout the ground floor spaces which include the main lounge and across the rear of the house the all important kitchen/dining room, which takes full advantage to soak in the south-west facing garden aspect. The kitchen has been comprehensively equipped with Silestone kitchen worktops and all the usual built-in and integrated appliances, and has double doors opening directly onto the sun terrace.

The ground floor spaces are completed with a generously proportioned guest cloakroom which is future-proofed for the provision of a shower if desired, and a storage space currently utilised as a walk-in pantry.

From the reception hall is a staircase to the first floor where there are 3 excellent sized bedrooms. The main bedroom has an en-suite shower room, with both of the double bedrooms having a range of wardrobe storage cupboards. The 3rd bedroom is a good sized single bedroom or as currently utilised as a spacious home office.

The property also benefits from an attached garage with single door access from the garden and a private parking space with EV charger.

Beyond the beautiful finishings to the home, the property also scores an incredible A rating (98/100) for energy efficiency. With triple glazed windows throughout, there are also PV gains from the roof panels, making this possibly one of the most energy-efficient homes with regard to running costs in the village.
