Set within this tranquil no through road location and only a short stroll from the local Pubs, the property is within the Raleigh School catchment and just a 1.2 mile walk to Horsley main village and station (1.6 miles by car).

The current owners have carried out a number of enhancements to the home, including the provision of a refitted ground floor family bathroom (July 2026) and updating the loft space to provide accommodation to the first floor.

Once across the threshold the central hallway leads through the property, giving access to the ground floor day spaces to one side and the bedrooms & bathroom to the other, with timber stair case giving access to the first floor.

The impressive Kitchen/Dining Room is a real 'hub' of the home with bi-fold doors opening onto the wrap around garden. There is space for dining table & chairs, along with a fully fitted kitchen and separate Utility Room. Double doors give access to the front lounge area, with large windows overlooking the front of the property, providing an ideal flexible space for family living and entertaining.

The three ground floor bedrooms are all of a good size, with the main bedroom benefitting from a bank of floor to ceiling wardrobes and large picture window overlooking the front.

To the first floor there are two generous double bedrooms, one of which has a dressing area, and which share the use of the family bathroom. With velux roof windows providing light and ventilation, these rooms provide a superb addition space which could be used for a number of purposes, depending on the needs of the incoming owner.

Outside, the detached garage could be divided into a useful store to the front with a gym or home office to the rear with separate access. The block paved frontage provides ample off street parking for a number of vehicles and the rear gardens enjoy a full Westerly aspect being principally laid to lawn with mature beech hedging to the boundaries.
