Once across the threshold, the entrance hall leads into the living room, with bay window and views overlooking the front. This in turn leads to the well proportioned light and airy Kitchen/Dining Room which has been refurbished in recent years and is fitted with a range of appliances, has space for a dining table and chairs, and benefits from double doors opening onto the rear garden.

The accommodation on the ground floor is completed by a ground floor double bedroom with double doors to the garden, built-in wardrobes and access to the adjoining ground floor shower room.

To the first floor, the main double bedroom has an ensuite shower room and built-in wardrobes, with the third bedroom having views over the rear garden. The first floor accommodation is completed by a family bathroom with handheld shower over the bath.

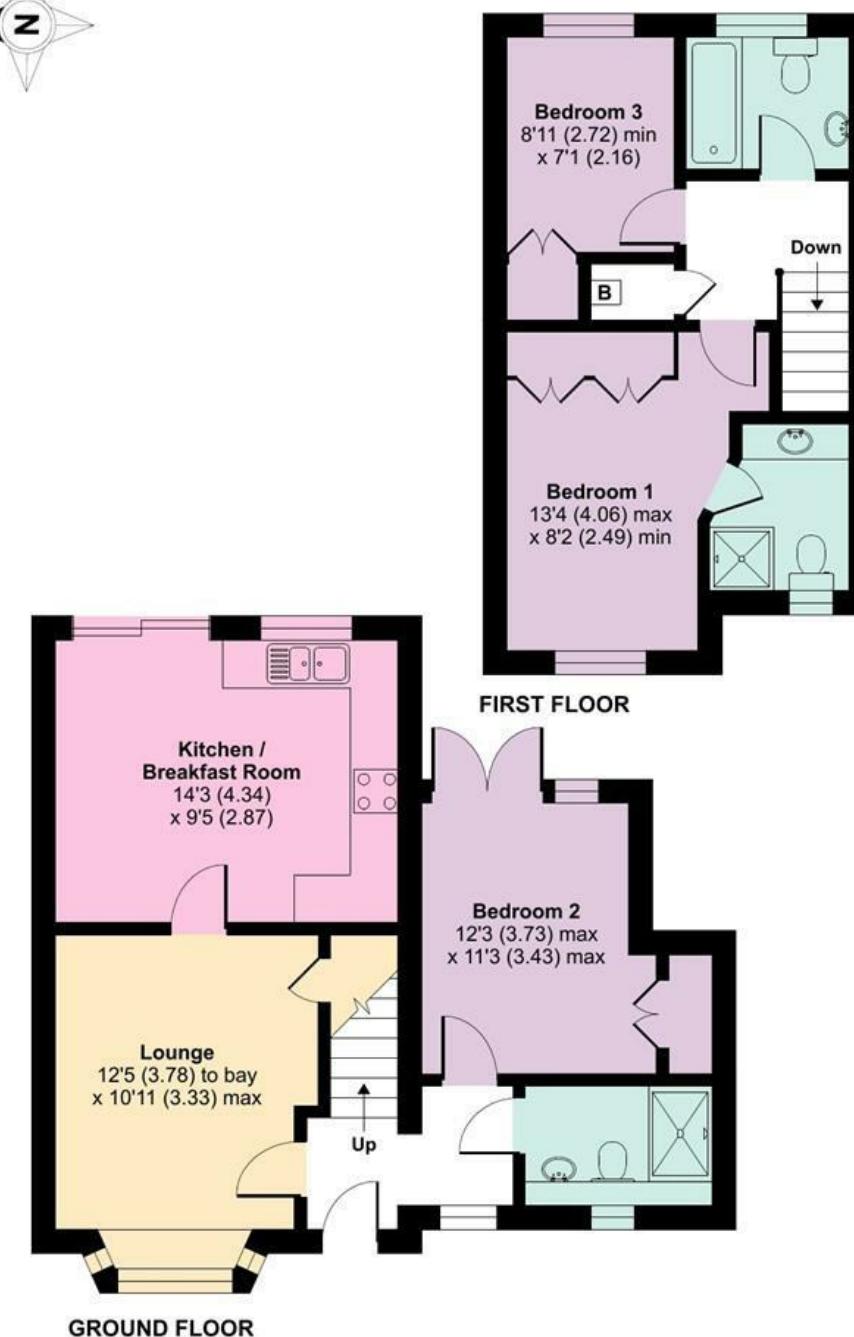

Externally, the fully enclosed rear garden has been terraced to provide a low-maintenance garden, with a patio area providing a comfortable space to enjoy outside eating, and gated side access, and to the front of the house there is good sized block paved private driveway for 2 cars alongside a paved pedestrian path and mature shrubs.

The property is located in the very heart of East Horsley village, close to the station (Waterloo in 45 mins), local shops, cafes, Post Office, Library, restaurants and boutique independents, and just a little further to the recreation ground and open spaces adjoining the Village Hall and Medical Centre. For more comprehensive shopping Cobham and County Town of Guildford are both nearby and easily accessible.
