

## 8 The Grove, Lancaster, LA1 3AL

**£400,000**

Set along a private, tree-lined road and just a short walk from Lancaster city centre, this imposing Victorian residence offers a wonderful opportunity to create a truly special family home.

Brimming with original period features, high ceilings and an impressive entrance hallway, the property has a timeless charm and a sense of grandeur. Loved by the same family for over fifty years, it's ready for its next chapter. With some modernisation, this character-filled home could be beautifully restored to its former glory, and with properties on this private road rarely coming to market, it's a chance not to be missed.

Step inside and you're welcomed by a lovely vestibule with original tiled flooring, leading into a spacious hallway. The lounge features a stunning bay window that fills the room with natural light, while the dining room enjoys peaceful views over the garden. A third reception room, previously used as a breakfast room, offers further flexibility and flows into the functional kitchen with access to the garden. There are also steps down to a cellar with good head height, offering excellent potential for conversion (subject to any necessary planning).

The impressive first-floor landing leads to four generous bedrooms and a family bathroom. Outside, the charming walled cottage-style garden is filled with established trees and planting, creating a private and tranquil outdoor space.

Offered with no onward chain, this rare opportunity to purchase on such a sought-after private road is not to be missed, especially given its character, potential, and enviable proximity to the city centre.
