Welcome to Sandown Road, a charming and extended five-bedroom detached family home set within the ever-popular Racecourse area of South Lancaster, where every street nods to the heritage of famous horse racing courses.

This particular home stands proudly in a peaceful cul-de-sac, surrounded by a lovely sense of community and with easy access to Booths supermarket, local parks, and a regular bus service into the city. It's a location that perfectly blends convenience with tranquillity.

Inside, the property has been extended to offer generous and versatile living spaces. A bright conservatory welcomes you at the front, the perfect spot to enjoy your morning coffee. The large lounge provides a cosy yet spacious area for the family to gather, while the extended modern kitchen flows seamlessly into a designated dining room, ideal for entertaining or relaxed family dinners. A convenient ground-floor cloakroom completes the downstairs.

Upstairs, you'll find three well-proportioned double bedrooms and two additional single rooms, offering flexible space for growing families, guests, or even a home office. The family bathroom serves the upstairs well and is perfect for busy mornings.

Step outside, and the charm continues. To the front, there is off-road parking and a garage. To the rear, a lovely enclosed garden awaits with a blossoming fig tree and a peaceful summerhouse, fully powered and ideal for those working from home, a creative studio, or even a home gym. The possibilities here are endless.
