PCM Estate Agents are delighted to present to the market an exciting opportunity to acquire this **SUBSTANTIAL FOUR STOREY VICTORIAN TERRACED HOME** offering exceptional **VERSATILITY, CHARACTER** and home-and-income potential.

The property has been thoughtfully arranged with the upper three floors configured as a spacious **FOUR BEDROOM FAMILY HOME**, while the lower ground floor has been designed as a **SELF-CONTAINED TWO BEDROOM FLAT**, and there is also the benefit of **OFF ROAD PARKING**. Both sections remain internally connected and can easily function as one impressive residence or be utilised separately, providing excellent flexibility for multi-generational living, guest accommodation or potential income.

The ground floor welcomes you via a charming vestibule leading into the main entrance hall. From here, a **GENEROUS LIVING ROOM** enjoys views over the rear of the property, creating a relaxing retreat. To the front is a bright and sociable **OPEN PLAN KITCHEN-DINING SPACE**, ideal for entertaining or everyday family life. A convenient **WC** completes the accommodation on this level.

To the first floor there are **TWO WELL-PROPORTIONED DOUBLE BEDROOMS** alongside the main family bathroom. The second floor provides **TWO FURTHER DOUBLE BEDROOMS**, with one benefitting from its own **STYLISH EN-SUITE**, creating a comfortable principal or guest suite.

The lower ground floor can be accessed internally via the main staircase or independently through its own private front and rear entrances, allowing it to operate entirely separately if desired. This level has been configured as a **TWO BEDROOM SELF-CONTAINED FLAT**. While further work is required to complete this area and make it fully habitable, much of the key structural and preparatory work has already been carried out to a high standard. The current owners are also including materials already purchased to assist with completing the remaining works, offering buyers a fantastic opportunity to add value.

From the lower level there is access out to the **REAR GARDEN**, which is laid to lawn with a patio seating area, creating an ideal outdoor space for relaxing, entertaining or enjoying family time.

Throughout the home there is a pleasing blend of **PERIOD CHARACTER** and **MODERN CONVENIENCE**, with attractive Victorian proportions complemented by a stylish kitchen, contemporary bathroom and en-suite facilities.

The property enjoys a highly desirable position on the outskirts of the popular Queens Quarter, within the Blacklands catchment area, bordering the West Hill, placing it within easy reach of a wide range of local amenities, shops, cafés and transport links, while still benefiting from a slightly quieter residential setting.

Overall, this is a rare and exciting opportunity to acquire a substantial and flexible property with enormous potential, suitable for family living, dual accommodation or home-and-income possibilities, all within an elegant Victorian setting.
