The Property

Accommodation

Inside

The front door is located to the side of the bungalow and opens into a welcoming entrance hall with doors leading off to the bedrooms, bathroom and sitting/dining room. There is access to the loft space with a drop down ladder, fitted with light and some boarding, and houses the combination gas fired central heating boiler. You will also find two storage cupboards - one could be used for coats, boots and shoes. The combined sitting and dining room has ample room for a table and chairs as well as for a settee and armchairs. The bow window enjoys a view over the front garden and there is a feature fireplace with coal effect electric fire that provides a focal point within the room.

From the sitting/dining room there is a door into a good sized kitchen with a window overlooking the rear garden plus a door that opens to the outside. It is fitted with a range of floor cupboards with drawers and eye level cupboards. There is a good amount of work surfaces and a stainless steel one and a half bowl sink and drainer with a swan neck mixer tap. You will find plumbing for a washing machine, space for a slot in cooker and for a fridge/freezer. There is also a useful built in pantry cupboard. Many properties, similar to this one, have covered up the external door to provide addition work surface/cupboard space.

For practicality, the floor is laid in a vinyl.

Both the bedrooms are generously sized doubles that overlook the rear garden and have built in wardrobes. The bathroom is fitted with a WC, pedestal wash hand basin and a bath with an electric shower above. For practical reasons, the floor is laid to vinyl.
