Yeatmans Lane Shaftesbury

Guide Price
£425,000

Full of charm and character, this lovely detached cottage sits peacefully in the heart of Enmore Green, a pretty and desirable area on the outskirts of Shaftesbury. Originally built in the 1760s and thoughtfully extended in the 1970s, it beautifully combines history with a relaxed, homely feel. Once thought to be the spot where horses stopped for water before climbing the hill into Shaftesbury, the cottage still carries that same sense of calm and restfulness today. Overlooking open green space and surrounded by scenic walks, it offers a wonderful blend of countryside tranquillity and easy access to the town's shops and cafés.

Inside, the cottage feels bright and welcoming. The spacious sitting room, with its double aspect and multi-fuel burner, is a perfect place to curl up with a book or gather with family on a chilly evening. The large kitchen and dining room is truly the heart of the home — a lovely open space that's great for cooking, chatting, and entertaining together. There's also a rear hall with room for boots and coats, and a handy cloakroom. Upstairs are two generous double bedrooms, one with its own en-suite, a family bathroom, and a comfortable single bedroom that could also make a great study or guest room.

Outside, there's plenty to enjoy. The frontage and side garden catch the morning sun — just right for a quiet coffee to start the day — while the detached private, sunny rear garden offers space to relax or potter among the plants. The studio and workshop provide extra flexibility, whether for hobbies, working from home, or simply enjoying a bit of creative time.

This is a home with a heart — warm, welcoming, and filled with stories. A special place where you can settle in, breathe out, and enjoy the simple pleasures of Dorset village life.

The front door opens into a useful porch where the main entrance opens to a large combined kitchen and dining room with stairs to the first floor, door to the inner hall, which has access to the outside and the WC. Also on the ground floor is a double aspect sitting room with a multi-fuel burner. On the first floor, there are three good sized bedrooms, one with an en-suite shower room plus the main bathroom. Outside, there is off road parking for one car, an outbuilding and a good sized garden that is located at the end of a path. This also has a work shop and a cabin.
