Fontmell Magna

Guide Price
£425,000

Set within a small, exclusive development of just 30 homes, this beautifully presented semi-detached cottage-style property offers bright, well-proportioned accommodation with countryside views and a sense of privacy - not being overlooked by neighbouring houses.

Completed in January 2023 by the highly respected Pennyfarthing Homes, the property forms part of a thoughtfully designed development that harmonises perfectly with the character of the charming village of Fontmell Magna. The village itself enjoys an active community with many societies and clubs, a church, primary school, village hall, doctors' surgery, and a local store with café.

This immaculately presented, cottage style home has been finished to an exemplary standard, featuring high-quality fixtures and fittings throughout, including soft-closing kitchen units with built-in appliances, stylish bathroom suites, oak internal doors, chrome wall plates on the ground floor, and durable Karndean flooring to much of the ground floor. The property benefits from sustainable wood-framed double glazing, a modern air-source heat pump, individually controlled underfloor heating on the ground floor, and radiators on the first floor.

The accommodation includes three double bedrooms and a double garage, providing excellent flexibility and scope for extension or conversion (subject to planning). The property benefits from a One Guarantee structural policy with 8 years remaining.

Situated on the edge of the village, with beautiful countryside walks on the doorstep, this property perfectly combines modern comfort with a rural lifestyle. Early viewing is strongly recommended to appreciate both the quality and the location of this lovely home.
