Offered to the market for the first time since it was built in the early 1960's and with the benefit of no onward chain, this detached property occupies a very desirable location on Mounton Road within walking distance to the town centre yet being within a quiet residential location. The existing layout briefly comprises to the ground floor: a welcoming entrance hall, generous dual aspect lounge as well as an open plan kitchen/dining room whilst to the first floor there are two good sized double bedrooms both benefitting built-in wardrobes as well as a third single bedroom and a family bathroom. The property further benefits extensive private driveway/parking, a single garage, a good size garden to the front and a sizeable South facing garden to the rear. The property will no doubt suit a variety of markets to include professional couples seeking a convenient location, being within easy commuting access or indeed the retired market seeking a town centre location. Furthermore with the potential to extend the property to the rear will no doubt suit the growing family market. We strongly recommend arranging an internal viewing to appreciate all this property has to offer.
