Offered to the market with the benefit of no onward chain this beautifully presented end terraced town house has a wealth of original features and offers fantastic accommodation. The property is situated in the historic part of Chepstow town centre, within easy walking distance to the picturesque River Wye and range of amenities. It is currently being run as an Airbnb business and therefore offers great opportunities.

The layout briefly comprises to the ground floor entrance hall, a well-proportioned lounge, kitchen/diner with access to the cellar which is used as a cinema room and storage area. To the first floor a spacious double bedroom and bathroom, whilst the second floor has a further two double bedrooms both with en-suite shower room.
