Severn Quay comprises a stylish recently refurbished contemporary duplex located in this well-respected development located on the banks of the River Wye at the head of the famous Wye Valley. The property is also positioned close to Chepstow’s town centre with its attendant range of facilities and easy commuting to Bristol, Cardiff and beyond. The current vendor carried out an extensive refurbishment to include new flooring throughout, installation of a new kitchen, along with replacement and upgrading of roof deck and terrace, as well as redecoration throughout. The property also benefits from the advantage of two parking spaces in the underground garage. The apartment has remained unoccupied since, so effectively is as new and in turnkey condition and as an incentive to purchaser, the vendor is offering to pay up to two years of maintenance fees.
