Oakwood is located in the sought after village of Llandeud and comprises an excellent example of an individually designed 1970's detached property which has recently been updated to create a modern family home. To the ground floor the open porch leads to the generous reception hall which in turn gives access to the spacious and modern kitchen/breakfast room with doors to the private garden. Also leading from the kitchen is the utility room and ground floor bathroom. In addition, from the reception hall there is an access to the integral garage, study and double doors with steps down to the most impressive sitting room, with vaulted ceiling, feature fireplace and galleried landing overlooking the living area. To the first-floor, the landing gives access to three guest bedrooms and a family bathroom plus door to the galleried landing overlooking the impressive living room with door off to the attic room and principal bedroom with en-suite bathroom and walk-in wardrobe. The property also benefits from a generous, private rear garden whilst to the front is a mature garden and driveway/parking giving access to the garage.

Situated within this popular community, set in a semi-rural location, excellent walks can be found nearby as well as the market town of Chepstow and the City of Newport some 7 miles equidistant from the property. There are also good junior and comprehensive schools nearby, bus and rail links as well as the A48, M48 and M4 motorway network bringing Newport, Cardiff and Bristol within commuting distance.

We would strongly recommend an internal viewing to appreciate all this property has to offer.
